RESULTATS D'APRENTATGE

RA3 - Emet missatges orals clars i ben estructurats, analitzant el contingut de la situació i adaptant-se al registre lingüístic de l'interlocutor.

METODOLOGIA

Pràctica a realitzar en els equips designats.

EQUIP I MATERIALS

Ordinador amb connexió a Internet.

TEMPORITZACIÓ

1 hora per preparar-ho més el temps de presentacions.

CRITERIS D'AVUACIÓ

- 3.1 Registres utilitzats en l'emissió de missatges orals. Terminologia específica del sector.
- 3.2 Manteniment i seguiment del discurs oral: utilització del torn de paraula, manteniment i cessió. Demostració de comprensió, petició d'aclariment i altres.
- 3.3 Expressió fònica, entonació i ritme.
- 3.4 Entonació com a recurs de cohesió del text oral: ús dels patrons d'entonació.
- 3.5 Marcadors lingüístics de protocol en l'àmbit professional i social, normes de cortesia i diferències de registre.

Activities

- 1) Prepare a presentation in which you exemplify and clarify, with images and words, the following terms:
 - a) Bottom, top, upper, lower, above, below, to the left, to the right, top left corner, top right corner, bottom left corner, bottom right corner, center, behind, in front of, arrange elements in a row, arrange elements in a column.
 - i) Are there any elements on an application or website that can typically be located in some of these positions? If so, give an example with an image (at least you should mention three elements).
 - b) Explain the difference between margin and padding. Use clarifying images.
 - c) Explain what is the aspect ratio, and give examples. Which are the aspect ratios that are more common for: movies, videogames, smartphone apps.
- 2) Presentation:
 - a) Use of creativity for the slides.
 - i) A creative, efficient, and custom design has been used.
 - b) Effort put in the oral part of the presentation.
 - i) No helping notes are used, just the slides.
 - ii) Anyone in the group can be asked to answer the questions asked on any of the terms.
 - iii) You may be asked about the different terms in no particular order, and possibly you will not be asked about all of the terms.
 - c) You can participate in the discussion that may be generated during the presentation of other groups.

Scoring

Points	Criteria	100%	66%	33%	0%
2	1.a) Positions	The meaning of each word is explained clearly. Clear examples. Useful slides with images.	One of the three aspects for the top score is missing.	Two of the three aspects for the top score are missing.	Three of the three aspects for the top score are missing.
2	1.b) Margin / padding	Clear explanation. Clarifying images. Clarifying examples.	One of the three aspects for the top score is missing.	Two of the three aspects for the top score are missing.	Three of the three aspects for the top score are missing.
2	1.c) Aspect ratio	Clear explanation. Clarifying images. Clarifying examples.	One of the three aspects for the top score is missing.	Two of the three aspects for the top score are missing.	Three of the three aspects for the top score are missing.
1	2.a) Creativity of the slides	Creative, efficient and custom design for the slides (they don't look AI generated).	Creative and custom design for the slides.	Regular design (that came with the software used).	-
3	2.b) Oral aspect	The student can explain everything without using notes. Can answer the questions asked on any of the terms.	The student has some notes, but has barely used them. Good explanations. Can answer the questions asked on any of the terms.	The student looked at the notes and has had to read them more than once. Can answer the questions asked on any of the terms.	The student has not participated in the oral presentation or does not know the meaning of a term asked about.

Submission

Submit a file containing the presentation to the corresponding Moodle upload link.
